DEFENDANTS

COMPLAINT

Comes now the Plaintiff, the United States of America, by and through counsel, and for its Complaint and cause of action against the Defendants states as follows:

1. This real estate foreclosure action is brought by the United States of America, on behalf of its Department of Agriculture, Rural Housing Service ("RHS") a/k/a Rural Development ("RD"), pursuant to Title 28, United States Code, § 1345.

2. This Court has jurisdiction over this matter under 28 U.S.C. § 1345 because this action is commenced by the United States of America. Venue is proper in the District Court of the Western District of Kentucky under 28 U.S.C. § 1391 as Defendants reside in this District, and the property in question is situated in this District.
3. On or about June 1, 2005, Makeba Antoinette Hunt (“Defendant”), for value received, executed and delivered to RHS a promissory note (hereinafter “Note”) in the principal amount of \$49,450.00, bearing interest at the rate of 5.6250 percent per annum, the Note calling for monthly payments of principal and interest. A copy of the Note is attached hereto marked **Exhibit A**, and is hereby incorporated by reference as if set forth at length herein.
4. Contemporaneously with the execution of the Note, Defendant executed, acknowledged and delivered to RHS a real estate mortgage (hereinafter “Mortgage”), which was recorded on July 12, 2005, in Mortgage Book 151, Page 73, in the Commonwealth of Kentucky, Fulton County Clerk’s Office. In and by this Mortgage, Defendant, granted to RHS a first mortgage lien against the therein-described real property (the “Property”) located in Fulton County, Kentucky. A copy of the Mortgage is attached hereto marked **Exhibit B**, and is hereby incorporated by reference as if set forth at length herein.
5. Contemporaneously with the execution of the Note and Mortgage, Defendant executed, acknowledged and delivered to RHS a Subsidy Repayment Agreement (hereinafter “Subsidy Agreement”). A copy of the Subsidy Agreement is attached hereto marked **Exhibit C**, and is hereby incorporated by reference as if set forth at length herein.

6. By virtue of all of the foregoing, the real property which is the subject of this mortgage foreclosure action consists of a tract of land located in Fulton County, Kentucky, and more particularly described as follows:

Being a lot located on the north side of East State Line Road, Fulton, Kentucky, and being the east portion of the same tract conveyed to Robert Vanderford as recorded in Deed Book 115, Page 59, Fulton County Clerk's Office, and more particularly described as follows:

Beginning at an iron pin in the north margin of State Line Road, said pin being the north edge of a concrete walk and being 20 feet north of the center of the State Line Road, said pin also being 90.50 feet east of intersection of the north edge of said walk with the east edge of concrete walk on the east side of Cedar Street; thence due North, making a new line through Vanderford and with the east line of Lot No. 1, a distance of 151.00 feet to an iron pin; thence North $89^{\circ} 46' 09''$ East with the south line of a lot owned by Daugherty a distance of 90.50 feet to an iron pin at the southeast corner of Daugherty, said pin also being in the west line of an alley; thence due South with the west line of said alley a distance of 151.00 feet to an iron pin in the north margin of State Line Road, said pin also being at the north edge of a concrete walk; thence South $89^{\circ} 46' 09''$ West with the north margin of State Line Road a distance of 90.50 feet to the point of beginning, and containing 13,665 square feet, according to a survey by Robert L. Nichols on June 1, 1994, with all bearings based upon Magnetic North.

Being the same real estate conveyed to Makeba Antoinette Hunt, a single person, from Richard G. Heath and wife, Ruth G. Heath, dated June 1, 2005, and recorded on July 12, 2005, at 9:00 A.M. in Deed Book 169, Page 175, in the Fulton County Clerk's Office.

7. Defendants have failed and continue to fail to make payments of principal and interest due in accordance with the terms and conditions of the Note and Mortgage and are therefore in default.
8. Paragraph 22 of the Mortgage provides that if default occurs in the performance or discharge of any obligation of the Mortgage, then the United States, acting through RHS, shall have the right to accelerate and declare the entire amount of all unpaid

- principal together with all accrued and accruing interest to be immediately due and payable and to bring an action to enforce the Mortgage, including the foreclosure of the lien thereof. Because of the Default of Defendants, as set forth above, RHS caused a Notice of Acceleration of Indebtedness and Demand for Payment to be issued to said Defendants declaring the entire indebtedness due upon the Note and Mortgage to be immediately due and payable, which demand has been refused.
9. Paragraph 1 of the Subsidy Agreement provides that subsidy received in accordance with a loan under §502 of the Housing Act of 1949 is repayable to the Government upon the disposition or non-occupancy of the security property.
 10. The unpaid principal balance on the Mortgage and Note is \$45,444.04 with accrued interest of \$6,022.81 through July 9, 2019, together with a total subsidy granted of \$5,189.52 late charges in the amount of \$48.92, and fees assessed of \$10,378.68, for a total unpaid balance due of \$67,083.97, as of July 9, 2019. An Affidavit of Proof of Statement of Account signed by RD, Foreclosure Representative, Vicki Jones, is attached hereto and marked **Exhibit D**, and is hereby incorporated by reference as if set forth at length herein.
 11. Included within the balance set out in Paragraph 10 above, the portion of the debt attributable to the Mortgage secured by the real estate collateral is the principal sum of \$45,444.04, with interest accrued thereon of \$6,022.81 through July 9, 2019. Interest is accruing on the unpaid principal balance at a rate of \$8.5375 per day after July 9, 2019.
 12. Whether Defendant Makeba Antoinette Hunt is married is unknown to the Plaintiff. To the extent that the Defendant, Makeba Antoinette Hunt, is married, the Unknown

Spouse of Makeba Antoinette Hunt, if any, may be vested with a spousal interest in the property. Said spousal interest is junior in rank and subordinate in priority to the first mortgage lien on the Property in favor of RHS. RHS is entitled to a foreclosure sale of the Property free and clear of any interest therein or claim thereon in favor of Defendant, said Unknown Spouse, and the Plaintiff calls upon them to come forth and assert their claim or their interest in the Property or be forever barred.

13. The Defendant, Purchase Area Housing Corporation, may claim an interest in the Property by virtue of that certain Equity Secured Loan Mortgage, recorded on November 4, 2011 in Mortgage Book 171, Page 280 in the Commonwealth of Kentucky, Fulton County Clerk's Office. A copy of the Equity Secured Loan Mortgage is attached hereto as **Exhibit E** and is incorporated by reference as if set forth at length herein. Said Defendant's interest in or claim on the Property is inferior in rank and subordinate in priority to the mortgage liens on the Property in favor of RHS. RHS is entitled to a foreclosure sale of the Property free and clear of any interest therein or claim thereon in favor of the Defendant, Purchase Area Housing Corporation, and the Plaintiff calls upon said Defendant to come forth and assert its claim on or interest in the property, if any, and offer proof thereof, or forever be barred.

14. The Defendant, Purchase Area Housing Corporation, may claim an interest in the Property by virtue of that certain Mortgage, recorded on November 4, 2011 in Mortgage Book 171, Page 284 in the Commonwealth of Kentucky, Fulton County Clerk's Office. A copy of the Equity Mortgage is attached hereto as **Exhibit F**, and is incorporated by reference as if set forth at length herein. Said Defendant's interest in or claim on the Property is inferior in rank and subordinate in priority to the mortgage

liens on the Property in favor of RHS. RHS is entitled to a foreclosure sale of the Property free and clear of any interest therein or claim thereon in favor of the Defendant, Purchase Area Housing Corporation, and the Plaintiff calls upon said Defendant to come forth and assert its claim on or interest in the property, if any, and offer proof thereof, or forever be barred.

15. The Property is indivisible and cannot be divided without materially impairing its value and the value of RHS's lien thereon.
16. The lien on the Property in favor of RHS by virtue of the Mortgage is first, prior and superior to all other claims, interests and liens in and to the Property except for liens securing the payment of ad valorem property taxes.
17. There are no other individuals or entities purporting to have an interest in the Property known to the Plaintiff.

WHEREFORE, Plaintiff, the United States of America, on behalf of RHS, demands relief as follows:

- a. That RHS be awarded a judgment against the interest of the Defendant(s) in the Property in the principal amount of \$45,444.04, plus interest in the amount of \$6,022.81, as of July 9, 2019, together with a total subsidy granted of \$5,189.52, late charges of \$48.92, and fees assessed of \$10,378.68, for a total unpaid balance of \$67,083.97, as of July 9, 2019, with interest accruing at the daily rate of \$8.5375 from July 9, 2019, until the date of entry of Judgment, and interest thereafter accruing according to law, plus costs, disbursements, attorney's fees, and expenses.

- b. That RHS be adjudged a lien on the Property, prior and superior to any and all other liens, claims, interests, and demands, except liens for unpaid real estate and ad valorem taxes; and for an Order of Sale of the Property in accordance with Title 28 U.S.C. §§ 2001-2003; that the Property be sold free and clear of any and all liens and claims for any and all parties to this action, except for real estate restrictions and easements of record, and liens for any city, state, county, or school ad valorem taxes which may be due and payable at the time of sale; and free and clear of any rider equity redemption; and that the proceeds from the sale be applied first to the costs of this action, second to the debt, interest, costs and fees due to the Plaintiff, with the balance remaining to be distributed to the parties as their liens or interests may appear;
- c. That the Property be adjudged indivisible and sold as a whole;
- d. That the Defendants be required to answer and set up their respective liens, claims, or interests in and to the Property, if any, or be forever barred, and that the foreclosure sale of the Property be free and clear of all such liens, claims and interests;
- e. For any and all other lawful relief to which Plaintiff may appear properly entitled.

BORROWER'S PROMISE TO PAY. In return for a loan that I have received, I promise to pay to the order of the United States of America, acting through the Rural Housing Service (and its successors) ("Government") \$ 49,450.00 (this amount is called "principal"), plus interest.

INTEREST. Interest will be charged on the unpaid principal until the full amount of the principal has been paid. I will pay interest at a yearly rate of 5.6250 %. The interest rate required by this section is the rate I will pay both before and after any default described below.

PAYMENTS. I agree to pay principal and interest using one of two alternatives indicated below:

I. Principal and interest payments shall be temporarily deferred. The interest accrued to _____, _____ shall be added to the principal. The new principal and later accrued interest shall be payable in _____ regular amortized installments on the date indicated in the box below. I authorize the Government to enter the amount of such new principal here: \$ _____, and the amount of such regular installments in the box below when such amounts have been determined. I agree to pay principal and interest in installments as indicated in the box below.

II. Payments shall not be deferred. I agree to pay principal and interest in 396 installments as indicated in the box below.

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on July 1, 2005 and continuing for 395 months. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this note. My monthly payments will be applied to interest before principal. If on June 1, 2038, I still owe amounts under this note, I will pay those amounts in full on that date, which is called the "maturity date."

My monthly payment will be \$ 274.95. I will make my monthly payment at the post office address noted on my billing statement or a different place if required by the Government.

PRINCIPAL ADVANCES. If the entire principal amount of the loan is not advanced at the time of loan closing, the unadvanced balance of the loan will be advanced at my request provided the Government agrees to the advance. The Government must make the advance provided the advance is requested for an authorized purpose. Interest shall accrue on the amount of each advance beginning on the date of the advance as shown in the Record of Advances below. I authorize the Government to enter the amount and date of the advance as shown in the Record of Advances below. I authorize the Government to enter the amount and date of such advance on the Record of Advances.

HOUSING ACT OF 1949. This promissory note is made pursuant to title V of the Housing Act of 1949. It is for the type of loan indicated in the "Type of Loan" block at the top of this note. This note shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions of this note.

LATE CHARGES. If the Government has not received the full amount of any monthly payment by the end of 15 days after the date it is due, I will pay a late charge. The amount of the charge will be 4 percent of my overdue payment of principal and interest. I will pay this charge promptly, but only once for each late payment.

BORROWER'S RIGHT TO PREPAY. I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Government in writing that I am making a prepayment.

I may make a full prepayment or partial prepayment without paying any prepayment charge. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect on the date of receipt of the payment.

ASSIGNMENT OF NOTE. I understand and agree that the Government may at any time assign this note without my consent. If the Government assigns the note I will make my payments to the assignee of the note and in such case the term "Government" will mean the assignee.

CREDIT ELSEWHERE CERTIFICATION. I certify to the Government that I am unable to obtain sufficient credit from other sources at reasonable rates and terms for the purposes for which the Government is giving me this loan.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY. If the property constructed, improved, purchased, or refinanced with this loan is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for 3 years or longer, or (3) is sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the entire remaining unpaid balance of the loan immediately due and payable. If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible cooperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

CREDIT SALE TO NONPROGRAM BORROWER. The provisions of the paragraphs entitled "Credit Elsewhere Certification" and "Requirement to Refinance with Private Credit" do not apply if this loan is classified as a nonprogram loan pursuant to section 502 of the Housing Act of 1949.

DEFAULT. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. If I am in default the Government may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Government may require me to immediately pay the full amount of the unpaid principal, all the interest that I owe, and any late charges. Interest will continue to accrue on past due principal and interest. Even if, at a time when I am in default, the Government does not require me to pay immediately as described in the preceding sentence, the Government will still have the right to do so if I am in default at a later date. If the Government has required me to immediately pay in full as described above, the Government will have the right to be paid back by me for all of its costs and expenses in enforcing this promissory note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees.

Unless applicable law requires a different method, any notice that must be given to me under this note will be given by delivering it or by mailing it by first class mail to me at the property address listed above or at a different address if I give the Government a notice of my different address. Any notice that must be given to the Government will be given by mailing it by first class mail to the Government at USDA Rural Housing Service, c/o Customer Service Branch
Post Office Box 66889, St. Louis, MO 63166, or at a different address if I am given a notice of that different address.

OBLIGATIONS OF PERSONS UNDER THIS NOTE. If more than one person signs this note, each person is fully and personally obligated to keep all of the promises made in this note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this note is also obligated to do these things. The Government may enforce its rights under this note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this note. The term "Borrower" shall refer to each person signing this note.

WAIVERS. I and any other person who has obligations under this note waive the rights of presentment and notice of dishonor. ("Borrower").

This Security Instrument is given to the United States of America acting through the Rural Housing Service or successor agency, United States Department of Agriculture ("Lender"), whose address is Rural Housing Service, c/o Centralized Servicing Center, United States Department of Agriculture, P.O. Box 66889, St. Louis, Missouri 63166.

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures which now or hereafter are a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate, hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 *et seq.* ("RESPA"), unless another law or federal regulation that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held by a federal agency (including Lender) or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property after acceleration under paragraph 22, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. **Application of Payments.** Unless applicable law or Lender's regulations provide otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied in the following order of priority: (1) to advances for the preservation or protection of the Property or enforcement of this lien; (2) to accrued interest due under the Note; (3) to principal due under the Note; (4) to amounts required for the escrow items under paragraph 2; (5) to late charges and other fees and charges.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Lender has agreed in writing to such lien or Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice

identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within ten (10) days of the giving of notice.

Borrower shall pay to Lender such fees and other charges as may now or hereafter be required by regulations of Lender, and pay or reimburse Lender for all of Lender's fees, costs, and expenses in connection with any full or partial release or subordination of this instrument or any other transaction affecting the property.

5. **Hazard or Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurer providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, at Lender's option Lender may obtain coverage to protect Lender's rights in the Property pursuant to paragraph 7.

All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgagee clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If after acceleration the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

6. **Preservation, Maintenance, and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall maintain the improvements in good repair and make repairs required by Lender. Borrower shall comply with all laws, ordinances, and regulations affecting the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. **Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender is not required to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. **Refinancing.** If at any time it shall appear to Lender that Borrower may be able to obtain a loan from a responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes, Borrower will, upon the Lender's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby in full.

9. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured hereby immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower and any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable. This instrument shall be subject to the present regulations of Lender, and to its future regulations not inconsistent with the express provisions hereof. All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

15. Borrower's Copy. Borrower acknowledges receipt of one conformed copy of the Note and of this Security Instrument.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is leased for a term greater than three (3) years, leased with an option to purchase, sold, or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument.

17. Nondiscrimination. If Borrower intends to sell or rent the Property or any part of it and has obtained Lender's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower, will refuse to negotiate for the sale or rental of the Property or will otherwise make unavailable or deny the Property to anyone because of race, color, religion, sex, national origin, handicap, age, or familial status, and (b) Borrower recognizes as illegal and hereby disclaims and will not comply with or attempt to enforce any restrictive covenants on dwelling relating to race, color, religion, sex, national origin, handicap, age or familial status.

18. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 13 above and applicable law. The notice

will state the name and address of the new Loan Servicer and the address to which payments should be made.

19. **Uniform Federal Non-Judicial Foreclosure.** If a uniform federal non-judicial foreclosure law applicable to foreclosure of this security instrument is enacted, Lender shall have the option to foreclose this instrument in accordance with such federal procedure.

20. **Hazardous Substances.** Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substances on or in the Property. The preceding sentence shall not apply to the presence, use, or storage on the Property of small quantities of hazardous substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any federal, state, or local environmental law or regulation.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any hazardous substance or environmental law or regulation of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with applicable environmental law and regulations.

As used in this paragraph "hazardous substances" are those substances defined as toxic or hazardous substances by environmental law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "environmental law" means federal laws and regulations and laws and regulations of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

21. **Cross Collateralization.** Default hereunder shall constitute default under any other real estate security instrument held by Lender and executed or assumed by Borrower, and default under any other such security instrument shall constitute default hereunder.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. **SHOULD DEFAULT** occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent, or make an assignment for the benefit of creditors, Lender, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to Lender hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the Property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the Property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

23. The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to Lender secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at Lender's option, any other indebtedness of Borrower owing to Lender, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the Property, Lender and its agents may bid and purchase as a stranger and may pay Lender's share of the purchase price by crediting such amount on any debts of Borrower owing to Lender, in the order prescribed above.

24. Borrower agrees that Lender will not be bound by any present or future state laws, (a) providing for valuation, appraisal, homestead or exemption of the Property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which Lender may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the Property to a new Borrower. Borrower expressly waives the benefit of any such state law. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy.

25. **Release.** Upon termination of this mortgage, after payment in full, the mortgagee, at Borrower's expense, shall execute and file or record such instruments of release, satisfaction and termination in proper form pursuant to the requirements contained in KRS 382.365.

26. **Riders to this Security Instrument.** If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument. SUBSIDY REPAYMENT AGREEMENT

1. As required under section 521 of the Housing Act of 1949 (42 U.S.C. 1490a), subsidy received in accordance with a loan under section 502 of the Housing Act of 1949 is repayable to the Government upon the disposition or nonoccupancy of the security property. Deferred mortgage payments are included as subsidy under this agreement.

2. When I fail to occupy or transfer title to my home, recapture is due. If I refinance or otherwise pay in full without transfer of title and continue to occupy the property, the amount of recapture will be calculated but, payment of recapture can be deferred, interest free, until the property is subsequently sold or vacated. If deferred, the Government mortgage can be subordinated but will not be released nor the promissory note satisfied until the Government is paid in full. In situations where deferment of recapture is an option, recapture will be discounted 25% if paid in full at time of settlement.

3. Market value at time of initial subsidy \$ 50,000.00 less amount of Rural Housing Service (RHS) loans \$ 49,450.00 less amount of any prior liens \$ 0.00 equals my/our original equity \$ 550.00. This amount equals 1.1000 % of the market value as determined by dividing original equity by the market value.

4. If all loans are not subject to recapture, or if all loans subject to recapture are not being paid, the amount to be recaptured is computed according to the following formula. Divide the balance of loans subject to recapture that are being paid by the balance of all open loans. Multiply the result by 100 to determine the percent of the outstanding balance of open loans being paid.

Equity Secured Loan Mortgage

THIS MORTGAGE (Security Instrument") is given on **October 5, 2011**. The Mortgagor is **MaKeba Hunt, a single person**, this Security Instrument is given to **Purchase Area Housing Corporation**, which is organized and existing under the laws of Kentucky, and whose address is P.O. Box 588, Mayfield, Kentucky 42066 ("Lender"). Borrower owes Lender the principal sum of **\$ Three Thousand and 00/100 (\$3,000.00)**. This debt is evidenced by Borrower's note dated the same date as this Security Instrument ("Note"), which provides for monthly payments, with the full debt, if not paid earlier, due and payable on **April 1, 2019**. This Security Instrument secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest, and all renewals, extensions and modifications; (b) the payment of all other sums, with interest, advanced under paragraph 6 to protect the security of this Security Instrument; and (c) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to Lender the following described property located in **Fulton County, Kentucky**.

SEE ATTACHMENT FOR PROPERTY DISCRIPTION

which has the address of **710 E. State Line Road, Fulton, Kentucky 42041**. ("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, rights, appurtenances, rents, royalties, mineral, oil and gas rights and projects, water rights, and stock and all fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property".

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variation by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest: Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
2. **Application of Payments:** Unless applicable law provides otherwise, all payments received by Lender under paragraph 1 shall be applied: first, the late charges due under the Note; second, to interest due; and last, to principal due.
3. **Charges: liens.** Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender receipts evidencing the payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien or forfeiture of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to alien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.
4. **Hazard Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval, which shall not be unreasonably withheld. All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 19 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

5. **Preservation and Maintenance of Property: Leaseholds.** Borrower shall not destroy, damage or substantially change the Property, allow the Property to deteriorate or commit waste. If this Security Instrument is on leasehold, Borrower shall comply with the provisions of the lease, and if Borrower acquires fee title to the Property, the leasehold and fee title shall not merge unless Lender agrees to the merger in writing.
6. **Protection of Lender's Rights in the Property: Mortgage Insurance.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 6, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 6 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the insurance in effect until such time as the requirement for the insurance terminates in accordance with Borrower's and Lender's written agreement or applicable law.

7. **Inspection.** Lender or its agent may make reasonable entries upon and inspections of the property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.
8. **Condemnation.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.
In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, whether to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraph 1 or change the amount of such payments.
9. **Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.
10. **Successors and Assigns Bound; Joint and Several Liability; Co-signer.** The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.
11. **Loan Charges.** If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to be permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.
12. **Legislation Affecting Lender's Rights.** If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 18. If Lender exercises this option, Lender shall take the steps specified in the second paragraph of paragraph 16.
13. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designated by notice to Lender. Any notice to lender shall be given by first class mail to Lender's address stated herein or any other address Lender designated by notice to borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.
14. **Governing Law; Severability.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument and the Note is declared to be severable.
15. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.
16. **Transfer of the Property or a Beneficial Interest in Borrower.** If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.
If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand of Borrower.
17. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in the Security Instrument; or (b) entry of a judgment enforcing this Security Instrument.

Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note had no acceleration occurred; (b) cures any default of any other covenants or agreements; pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (c) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred.

However, this right to reinstate shall not apply in the case of acceleration under paragraphs 12 or 16.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

18. **Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under paragraphs 12 and 16 unless applicable law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by Judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 18, including, but not limited to, reasonable attorneys' fee and costs of title evidence.
19. **Lender in Possession.** Upon acceleration under paragraph 18 or abandonment of the Property and at any time prior to the expiration of any period of redemption following judicial sale, Lender (by judicially appointed receiver, to which Borrower consents) shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. Any rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Security Instrument.
20. **Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.
21. **Waiver of Homestead.** Borrower waives all right of homestead exemption in the Property.

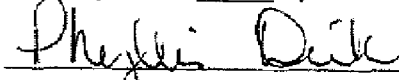

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument (and in any riders) executed by Borrower and recorded with it.

EXHIBIT F

MORTGAGE

THIS REAL ESTATE MORTGAGE, entered into this 5 day of October 2011, by and between MaKeba Hunt, a single person ("Mortgagor,"), and City of Fulton, % Purchase Area Development District, ("Mortgagee"), whose address is 1002 Medical Drive, P O Box 588, Mayfield, Graves County, Kentucky 42066.

WITNESSETH:

WHEREAS, Mortgagor is indebted to Mortgagee for monies loaned or to be loaned to Mortgagor under the federal HOME Investment Partnerships Program, as evidenced by a promissory note ("Note") of even date herewith in the principal sum of Twelve Thousand Nine Hundred eighty-seven Dollars (\$12,987.00) with interest thereon at the rate per annum provided in the Note, payable to the order of Mortgagee. The maturity date of the Note is the first to occur of: (i) the date title to the property securing the Note is transferred, (ii) the date the Mortgagor no longer continues to reside in the property as his/her principal residence, or (iii) April 5, 2021. The appraised value of the property is less than or equal to the applicable 203(b) mortgage limits.

WHEREAS, Mortgagor received HOME funds to provide rehabilitation assistance.

NOW, THEREFORE, in order to secure payment of the Note or any renewal or extensions thereof, the interest due thereon and all other obligations of Mortgagor as provided herein Mortgagor hereby grants and conveys and mortgages unto Mortgagee, with covenant of General Warranty, all of Mortgagor's interest in and to the property together with all rents, profits, appurtenances and improvements ("Premises"), situated in Fulton, Fulton County, Kentucky as described on Exhibit A attached hereto and made a part hereof.

Mortgagor covenants and agrees that until the Note has been fully paid and satisfied, Mortgagor will comply with the following conditions and covenants:

1. Insurance. Mortgagor will keep all improvements on the Premises insured against loss or damage under a fire and extended coverage insurance policy issued by an insurance company or companies acceptable to Mortgagee, in such amount as Mortgagee may require or to the extent of the full insurable value of the improvements, making such policy payable under a standard mortgage clause to Mortgagee as its interests may appear as collateral security for the payment and performance of the Note. In case of loss, the proceeds of such insurance will be applied to payment of the Note in inverse order of maturity or, at the option of Mortgagee, to the rebuilding of such improvements. Mortgagor will deposit all such insurance policies covering the Premises with Mortgagee. Should Mortgagor fail to obtain or to keep in force such insurance or to pay the premiums on any policies covering the Premises, Mortgagee may obtain such insurance and pay the premium or pay any premiums which are due on such policies, and any sum so paid will be secured by this Mortgage and will be repaid by Mortgagor on demand, with interest until paid at a rate of twelve percent (12%) per

annum. Mortgagor will deliver to Mortgagee not later than ten (10) days before the expiration of any such insurance policy, a renewal of such policy.

2. Taxes. Mortgagor will promptly pay all taxes, assessments, liens, judgments and charges now levied or hereafter levied against the Premises, and should Mortgagor fail promptly to pay any such taxes, assessments, liens, judgments or charges, Mortgagee may pay such tax, assessment, lien, judgment or charge, and any sums so paid will be secured by this Mortgage and will be repaid by Mortgagor on demand, with interest until paid at a rate of twelve percent (12%) per annum.

3. Maintenance and Repair. Mortgagor will keep the improvements on the Premises in good repair and condition and will not suffer waste thereto until the Note has been fully paid and performed, and will promptly repair or replace any of such improvements. Should Mortgagor fail to comply with this covenant, Mortgagee may cause such repairs or replacements to be effected and any cost so incurred will be secured by this Mortgage and will be repaid by Mortgagor on demand, with interest until paid at a rate of twelve percent (12%) per annum.

4. Prohibition On Transfer and Further Encumbrance. During the time that any of the obligations secured by this Mortgage have not been satisfied or paid in full, any sale, transfer or voluntary encumbrance of all or any part of the Premises herein conveyed, without the written consent of Mortgagee, will give Mortgagee the option to declare, without notice, the entire indebtedness immediately due and payable and to proceed to enforce the lien securing it. Upon such sale or transfer of the Premises by Mortgagor or any subsequent owner during the existence of the indebtedness hereby secured, Mortgagee, at Mortgagee's option, and as a condition for giving approval to such sale or transfer, will have the right to charge additional interest on the then unpaid balance due on the Note secured by this Mortgage in an amount equal to the average prevailing interest rate on first mortgages charged by lending institutions in the county where the Premises is located. The indebtedness secured by this Mortgage may not be assumed under its original terms and conditions unless to an income-eligible heir of the Mortgagor(s) and as approved in advance by Kentucky Housing Corporation.

5. Events of Default and Remedies. In the event Mortgagor (a) fails to pay any such tax, assessment, lien, judgment or charge, or pay any insurance premium within fifteen (15) days after the same becomes payable, or (b) fails within ten (10) days after notice of noncompliance of any other provision of this Mortgage to promptly take steps to cure such noncompliance, or (c) permits a suit to be instituted against Mortgagor for the enforcement of any lien or other encumbrance against the Premises, or (d) becomes the subject of any voluntary or involuntary bankruptcy, receivership or other insolvency proceeding, or (e) fails to pay the Note or any installment thereof when due, or within any applicable grace period provided in the Note, or (f) fails to observe or perform any of the other terms of the Note, then in any of such cases, an event of default will have occurred ("Event(s) of Default"). If an Event of Default occurs, Mortgagee may, without notice, declare all indebtedness hereby secured to be immediately due and may forthwith enforce the lien of this Mortgage; and in such case, Mortgagee may forthwith enter on the Premises, rent it out and collect and apply the rents and profits thereof first to the payment of a reasonable compensation to Mortgagee, including attorney's fees for its services, and next to the satisfaction of the obligation secured by this Mortgage, and such compensation and fees will become a part of the obligations secured by this Mortgage.

6. Defense of Lien. If Mortgagee is required to appear in any court or tribunal to defend the title or possession of the Premises, or the lien thereon, or to protect the Note or any of the other obligations secured hereby, Mortgagor or its successors in interest will pay all of the costs and expenses of such appearances, including a reasonable attorney's fee, and all such costs, expenses and attorney's fees will be part of the obligation secured hereby and will be paid by Mortgagor or its successors in interest on demand, with interest from the day of payment at a rate of twelve percent (12%) per annum.

7. Appointment of Receiver. In the event Mortgagee files an action to foreclose this Mortgage lien, Mortgagee will be entitled to the appointment of a receiver to take care of the Premises, to collect the rents, issues and profits, to keep the Premises in good repair and to apply the rents, issues and profits to the payment of the obligations secured hereby.

8. Non-waiver of Default. The failure or delay of Mortgagee to exercise any of its options herein provided because of any default in the payment or performance of any of the obligations secured hereby will not constitute a waiver of the right to exercise such option because of any subsequent default, and in determining whether a default has occurred, time will be considered to be of the essence of this Mortgage.

9. Assignment of Note. If Mortgagee assigns, endorses or otherwise transfers the Note, payment and performance of the obligations secured hereby will be made to and for the benefit of the holder of the Note, and the options, rights and remedies herein provided for Mortgagee may be exercised by such holder.

10. Payment of Attorney's Fees. If an Event of Default occurs, Mortgagor will pay all reasonable attorney's fees incurred by Mortgagee in enforcing this Mortgage.

11. Inspection. Mortgagee may make or cause to be made reasonable entries upon and inspections of the premises related to mortgagee's interest in the premises, provided that mortgagee shall give mortgagor notice prior to any such inspection.

12. Waiver of Homestead. Mortgagor hereby waives all rights of homestead exemption in the Premises.

13. Future Advances. Upon request of mortgagor, mortgagee may make Future Advances to mortgagor prior to release of this mortgage. Such Future Advances, with interest thereon, shall be secured by this Mortgage when evidenced by promissory notes or other agreements that state that said indebtedness is secured hereby. At no time shall the principal amount of the indebtedness secured by this Mortgage, not including interest or sums advanced in accordance herewith to protect the security of this Mortgage exceed the amount of the Note plus ten (10) percent. All Future Advances secured by this Mortgage shall be due and payable on or before maturity date of the indebtedness evidenced this Note.

There are excepted from the General Warranty of Mortgagor only easements and restrictions of record and ad valorem property taxes not yet due and payable.

Should Mortgagor pay and perform all the obligations secured hereby, then this conveyance will be void, and in that event, Mortgagee will, at the request and cost of Mortgagor, release this

Mortgage, and the production of the Note by Mortgagor will be sufficient warrant to it for making such release.

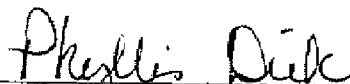

IN TESTIMONY WHEREOF, witness the signature of Mortgagor as of the day and year first above written.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: [Nature of Suit Code Descriptions](#).
- V. Origin.** Place an "X" in one of the seven boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.
 Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.
PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statute.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
